

In Interests Of

Charleston Dam

Mr. Doane Merrill, president of the Bank of Benson, was a visitor in the city yesterday, having come over from Bisbee.

Mr. Merrill was also in Douglas to attend the meeting of the Cochise County Taxpayers' Association held in that city, and interviewed the business men of the two cities with reference to the Charleston Dam on the San Pedro. His mission in Tombstone was also to that effect, and when seen yesterday regarding the matter the prominent Benson banker said:

"Thus far, I have received loyal support from almost all of the business men in the county that I have interviewed on the subject. I believe the time is now ripe to start to do something on the Charleston dam, and my visit to Bisbee and Douglas was for the purpose of getting support from the business men. There is no doubt but that the Charleston dam will be of great benefit to the people and farmers of the San Pedro valley, and I believe the time is not far distant when active preparations will be begun on the matter."

Mr. Merrill remained in the county seat a good part of the day yesterday interviewing our local business men on the project, returning to his home in the afternoon.

Prominent Men

Speak at Bisbee

A Bisbee dispatch says:—

Before one of the largest crowds ever gathered together, two speakers of state-wide prominence last night addressed an enthusiastic organization in the Warren District Democratic club, in the Fair Hall.

Ross M. Ling, Democratic national committeeman, and candidate for the United States Senate to succeed Mark A. Smith, was the first to address the club and was followed by Judge A. F. Parsons, the well known Democratic orator from Douglas.

No fine lines were drawn at the meeting. Democracy was talked. It was uttered straight from the shoulder by the two speakers along the same line. The talk of development of difference between the wings of the state democracy did not develop and, if there was any simmering before the club met, it died with the utterances of the two Democrats who spoke.

From the Desert

to the Sea

A San Diego dispatch says:—

Another six mile contract was let on this end of the San Diego & Arizona railroad yesterday, also an eleven-mile contract on the eastern end, making a total of seventeen miles. One thousand additional men are to be put to work immediately, which will bring the total working force up to 3000 men. This insures the completion of the road early next year and means a great business development for San Diego and Phoenix.

Why wonder when you are often after taking Dr. Miller's Laxative Tablets? They do not give you a headache!

WHAT WILL CURE MY BACK?

Common sense will do more to cure backache than anything else. Tell you whether the kidneys are sore, swollen and aching. It will tell you in that case that there is no use trying to cure it with a plaster. If the passages are scant or too frequent, proof that there is kidney trouble is complete. Then common sense will tell you to use Doan's Kidney Pills, the best recommended special kidney remedy.

CONVINCING TESTIMONY

Geo. H. Sharp, 31 Main St., Winsted, Conn., says: "My kidneys were in bad shape and I had to get up often at night to pass the kidney secretions. My back ached and my health was badly run down. I doctored and used different remedies but to no avail. Finally I began taking Doan's Kidney Pills and the first box helped me. I kept on using them and soon got well. I now feel better in every way and my back and kidneys are in good shape."

Foresters On

Inspection Trip

D. P. Koelpp, assistant forester in charge of grazing lands, with headquarters at Washington, D. C., and John Kier, assistant district forester in charge of grazing affairs at the Albuquerque station in New Mexico, are on an inspection trip and will remain at the local agency for the next two or three days.

This is one of the regular inspection trips and has no special significance.

Doings in the

Superior Court

The jury in the Barrett case returned into court last evening about 8:30 with their findings in the case and with answers to the interrogatives set forth by both sides.

After the findings of the jury had been returned counsel for both sides came forth asking for a judgment in their particular favor, whereupon the court gave to the plaintiff 10 days in which to file motion in brief and 30 days to the defendants counsel to file their briefs. There are also several law points to be settled. The court will then take the matter under advisement for judgment.

In the case of the State vs. Corporal Forbes, plead not guilty to the charge of assault with a deadly weapon.

In the case of the state vs. O'Day and Shannon, plead not guilty to the charge of assault with intent to commit robbery.

State vs. Louis Ross, plead guilty to forgery and will be sentenced later.

State vs. Morris who has been on a suspended sentence for some time was brought back into court and sentenced to not less than 1 nor more than 5 years in the penitentiary.

The case of Weir vs. the Copper Queen Mining Company, for damages in the sum of \$7,500 was called to trial today, and the following jury was selected to try the case:

Almond Walker	J. H. Duncan
C. W. Grant	Fletcher Merrill
Frank Tyrone	W. E. Clough
J. W. Brooks	Geo. W. Smith
J. H. Thomas	J. W. Keeling
Robert Gies	Geo. Schilling

Juror Lee Adams excused for the term.

Today in the Superior court, the case of Weir vs. Copper Queen Mining Co. for damages, the jury after being out about a half hour returned a verdict awarding the plaintiff the full amount asked for, \$7,500.

The Hansen case was called up next and examination of the jury begun. This is a contest of will case from Bisbee.

Bail has been secured for Roy Haigler in the amount of \$10,000 and he will be liberated today or tomorrow. This is in accordance with the findings of the supreme court, which held that the superior court had erred in refusing to grant him bond.

A special venire of 12 jurors has been ordered summoned to serve the remainder of the term. They will report next Tuesday.

Cochise Stockmen

for San Carlos Dam

The Cochise County Stock Growers Association passed the following resolutions, favoring the San Carlos dam site project:

Whereas, the engineers of the United States war department, have reported favorably on the San Carlos dam site, for impounding water for the irrigation of over ninety thousand (90,000) acres of land in the Casa Grande district, this acreage added to that in the Salt River valley, would mean cheaper grain, hay and cotton seed products, resulting in material benefit to southern Arizona stockmen's interests.

Therefore, be it resolved, that the Cochise County Stock Growers' Association be placed on record as fully endorsing what is known as the San Carlos dam site project, and that a copy of these resolutions be forwarded to each of our national representatives and their active support requested.

Bowie Epidemic

Of Smallpox

A Bowie dispatch says:—

With an epidemic of smallpox of exceedingly serious extent and a situation of much gravity no longer denied here, schools, barber shops, saloons and stores were closed today.

There are fourteen cases of the disease now under treatment, with several suspects under surveillance. The health authorities have now taken hold of the epidemic in earnest and are hopeful that they will be able to quickly check it.

To Open Land In

Chiricahua Forest

During the month of February 1914, a tract of 160 acres of land, within the Chiricahua National forest, Cochise, was listed with the secretary of the interior and will shortly be opened to entry under the forest homestead act. The land thus listed was applied for individually by one applicant, and was examined by a forest officer and found to be more valuable for agriculture than for forest purposes.

The person whose application within the Chiricahua National Forest was favorably acted upon during the month of February is:

Edward Hubbard, Jr., Pearce, Arizona.

In addition to this, 5,500 92 acres were listed to applicants within other national forests in Arizona, and 4,941 21 acres in national forests in New Mexico.

The Mothers'

Club of Tombstone

At the meeting of mothers at the home of Mrs. Lee O. Woolery yesterday afternoon, a large number of women were present, and great interest was manifested in the purposes of the proposed club. A club was organized, the name of which is "The Mothers' Club of Tombstone." The following officers were elected: President, Mrs. Lee O. Woolery; Vice-President, Mrs. L. F. Kuehntucker; Secretary and Treasurer, Mrs. W. A. Fowler.

The club was organized for the purpose of co-operation in promoting the welfare and education of the children of Tombstone and vicinity, and for the general moral and intellectual benefit of the members, their children and the community.

Although called a mothers' club, the primary object being for the benefit of the children, there are other objects and all women are eligible to membership.

This is a move in the right direction and it is hoped the membership will be inclusive all women of Tombstone and vicinity.

Regular meetings will be held only once each month. A special meeting, however, has been called for next Friday afternoon at 3 p. m. at Mrs. Woolery's, and all women are urged to be present.
